PUBLIC NOTICE

June 10, 2008

Due to the severe storm that went through this area on Wednesday, June 4, 2008, we experienced a surge that caused our server and email system to fail. As of today, June 10, 2008, our server and email is now working. We are attempting to respond to all in cue complaints/requests as quickly as possible and in the order received. Your patience is appreciated. If a request has been made to Town Hall by email and you do not receive a response by close of business on Friday, June 13th please resend your request.
